

PRESS RELEASE

Augsburg, 09.02.2024

Holger Sommer is leaving PCI Augsburg GmbH by mutual agreement as part of the reorganization process

PCI Augsburg GmbH is repositioning itself at the end of February

Augsburg, 09.02.2024 – PCI Augsburg GmbH announces that - in the course of the integration into the Sika Group and the resulting reorganization - Holger Sommer, Sales Director Germany, will leave the company at his own request on February 29, 2024. Holger Sommer has been with the company since 2008 in various national and international senior sales and marketing positions.

Holger Sommer worked at PCI Augsburg GmbH for 16 years, including many years in charge of the THOMSIT brand. Most recently, Sommer held the position of Sales Director Germany. In this role, Sommer managed the sales units of the PCI and THOMSIT brands.

In the course of the gradual integration into the Sika Group and the associated reorganization of PCI Augsburg GmbH, Holger Sommer has decided to leave PCI Augsburg GmbH on February 29, 2024 to take on a new challenge outside the company.

The reorganization of sales and future responsibilities will be announced at the end of February. Until the new organization comes into effect, Ralph Spielmann, Business Unit Manager of Sika Distribution Construction Germany, will be responsible for the overall sales of both brands PCI and THOMSIT on an interim basis.

"We regret Holger Sommer's leaving the company and thank him for his many years of excellent service at PCI Augsburg GmbH. We wish him all the best and continued success for his future professional and personal life," says Joachim Straub, Chairman of the PCI Management Board. "With the reorganization of PCI Augsburg GmbH, we are taking the next step in integrating the company into Sika and ensuring further growth."

PCI Augsburg GmbH, part of Sika since the beginning of May 2023, is one of the leading manufacturers of construction chemical products in Germany with around 1,150 employees and a net turnover of approx. 320 million euros. The company offers innovative and sustainable products and solutions for the construction trends of tomorrow. This has made PCI the market leader in the German-speaking tiling sector for more than 40 years.
