

PRESS RELEASE

Augsburg, June 28, 2022

Marc C. Köppe is leaving PCI Augsburg GmbH on June 28, 2022

Stefan Harder new CEO at PCI Group

Augsburg, June 28, 2022 – PCI Augsburg GmbH announces that Marc C. Köppe, former Chairman of the PCI Management Board, is leaving the company on June 28, 2022. Marc C. Köppe has held this position since 2015 and is leaving the PCI Group at his own request. His successor is Stefan Harder with immediate effect.

Marc C. Köppe, who holds a degree in business administration, worked for BASF in various senior management positions in Sales, Marketing and Strategic Planning for more than ten years. Since 2015, he held the position of Chairman of the PCI Management Board and was also responsible for Sales, Marketing, Human Resources, Accounting and Controlling as well as Purchasing. Köppe is leaving the company at his own request.

"We regret Marc C. Köppe's decision and thank him for his successful work in the further development of the company since 2015 and the expansion of our customer and supplier relationships. We wish him all the best and continued success for his future professional and personal life," says Dr. Christian Geierhaas, President Europe, MBCC Group.

On June 29, 2022, Stefan Harder will start as CEO of the PCI Group. The business administration graduate brings extensive, long-standing experience as managing director and sales manager of various international companies in the industry.

"We are pleased to have gained a very experienced manager in Stefan Harder and wish him a good start and all the best in his work," explains Dr. Christian Geierhaas, President Europe, MBCC Group.

PCI Augsburg GmbH, part of the MBCC Group, is one of the leading manufacturers of construction chemical products in Germany with over 1,200 employees and a turnover of almost 350 million euros. The company offers innovative and sustainable products and solutions for tomorrow's construction trends. This means that PCI has been the market leader in the German-speaking tile laying sector for more than 40 years.

About PCI

PCI Augsburg GmbH is part of MBCC Group and leader in the tile laying materials sector for specialist firms in Germany, Austria and Switzerland. In addition, the company supplies product systems for waterproofing, concrete protection and repair, as well as a complete product range for the flooring sector. The PCI Group employs a staff of more than 1,200 in Europe and generated sales of significantly over €350 million net in 2021. Further information about PCI on the Internet under www.pci-augsburg.de.

About MBCC Group

The MBCC Group is one of the leading suppliers of construction chemicals and solutions worldwide and has emerged from the carve-out of the former BASF Construction Chemicals business from BASF Group. We offer innovative and sustainable products and solutions for the construction industry across different sectors, such as buildings, structures, underground construction, new construction, as well as for renovation. Our strong brands Master Builders Solutions®, PCI®, Thermotek®, Wolman®, Fire Protectors®, Colorbiotics®, Watson Bowman Acme®, TPH®, Bluey® and Nautec™ are well established in the marketplace. With our innovations, we address sustainability challenges in the industry. MBCC Group consists of approximately 70 legal entities worldwide and is home to around 7,500 construction experts in over 60 countries.
